

## HENRY SIDGWICK (1838-1900)

*We think so because other people all think so, Or because - or because - after all we do think so, Or because we were told so, and think we must think so, Or because we once thought so, and think we still think so, Or because having thought so, we think we will think so.*

♦ Professor de filosofia moral em Cambridge, sendo influenciado por John Stuart Mill e ligando-se à Escola Histórica. Considerado um dos últimos grandes utilitaristas, embora invocando uma conciliação com Kant.
